

JOB DESCRIPTION

Position Title: Senior Front-End / Mobile App Developer

Background:

At ContactEngine, we're passionate about innovative SaaS solutions that drive value, enhance operational processes, and improve the customer experience while delivering substantial return on investment for our clients. We are a Shoreditch-based, dynamic, vibrant and extremely motivated team already working with some of the UK and world's best known brands.

Our focus is mainly on Customer Communications using omni-channel SaaS Solutions.

Role Main Purpose:

We are looking for a front-end developer to work on our existing web and mobile applications. Alongside our small internal team, you will be working on a variety of applications and services to support our omni-channel, interactive, communication platform. You will be required to design, develop and maintain these solutions and to support the rapid growth of the business.

We offer a flexible working environment with an office in London and the option to work from home most of the week. You'll need to be a strong self-starter able to work independently.

Skills & Requirements:

Must have...

- Strong proven UI skills with a portfolio of demonstrable work creating scalable, applications flexible web
- Expert HTML5, CSS3, JS skills - including JS frameworks such as JQuery and ability to work towards the latest web standards
- Experience of developing native apps for iPhone and Android
- Knowledge of common app development platforms such as Xamarin and Cordova
- Some knowledge of C# and asp.net web applications
- Ability to create cross browser, cross platform responsive applications

Nice to have...

- Experience of developing within .net web applications
- Knowledge of asp.net web applications and C#
- Proficient working with Git, and other development process tooling (such as JIRA)
- Experience developing for OperaTV and other HTML 5 based platforms
- Flash development to support and replace legacy products

What we bring to the table:

- Award-winning company with world class and industry changing SaaS products and services.
- Ability to learn and grow with the business.
- Personal Development, internal promotion and growth opportunities.
- Very strong culture and a tight-knit team of colleagues.
- 25 days paid holiday
- Private Health Insurance
- Pension Scheme

Timings / Remuneration

- Full time
- Remuneration TBC

We are committed to creating a diverse and inclusive company that better reflects the community we live in. We therefore welcome applications from candidates of all backgrounds.
